Class of 2020 HSC Results

It is with tremendous admiration that I congratulate the manner in which our Year 12 Class of 2020 has handled the exceptional challenges, changes and cancellations forced by circumstance throughout this most unusual year which culminated in outstanding results in the Higher School Certificate. The way in which our Senior students cared for one another, sustained academic focus, adapted to rapidly changing circumstances and led the School by example are testament to their strength of character and persistence for challenges. Under the guidance of their experienced and dedicated teachers, and with the support and encouragement of family and friends, the Class of 2020 achieved the College's strongest HSC results across several measures. Aquinas Catholic College encourages all students to be the best they can be and our graduates enter the next phase of their lives as confident, resilient and compassionate young people who have a sense of hope and are 'enlivened by the spirit'. We are immensely proud of the Class of 2020 and we wish them the very best for their future endeavours.

Notes
 1. Subjects with small candidatures (less than 5) have been omitted. It can be misleading to interpret statistics for such small numbers.
 2. This table is meaningful only for comparing School % with State % in each course. We warn against superficial comparison between subjects and courses. Such comparisons are invalid because of different sizes of candidature and different percentages in Bands 5 and 6 awarded State-wide.
