2025 Higher School Certificate Newsletter

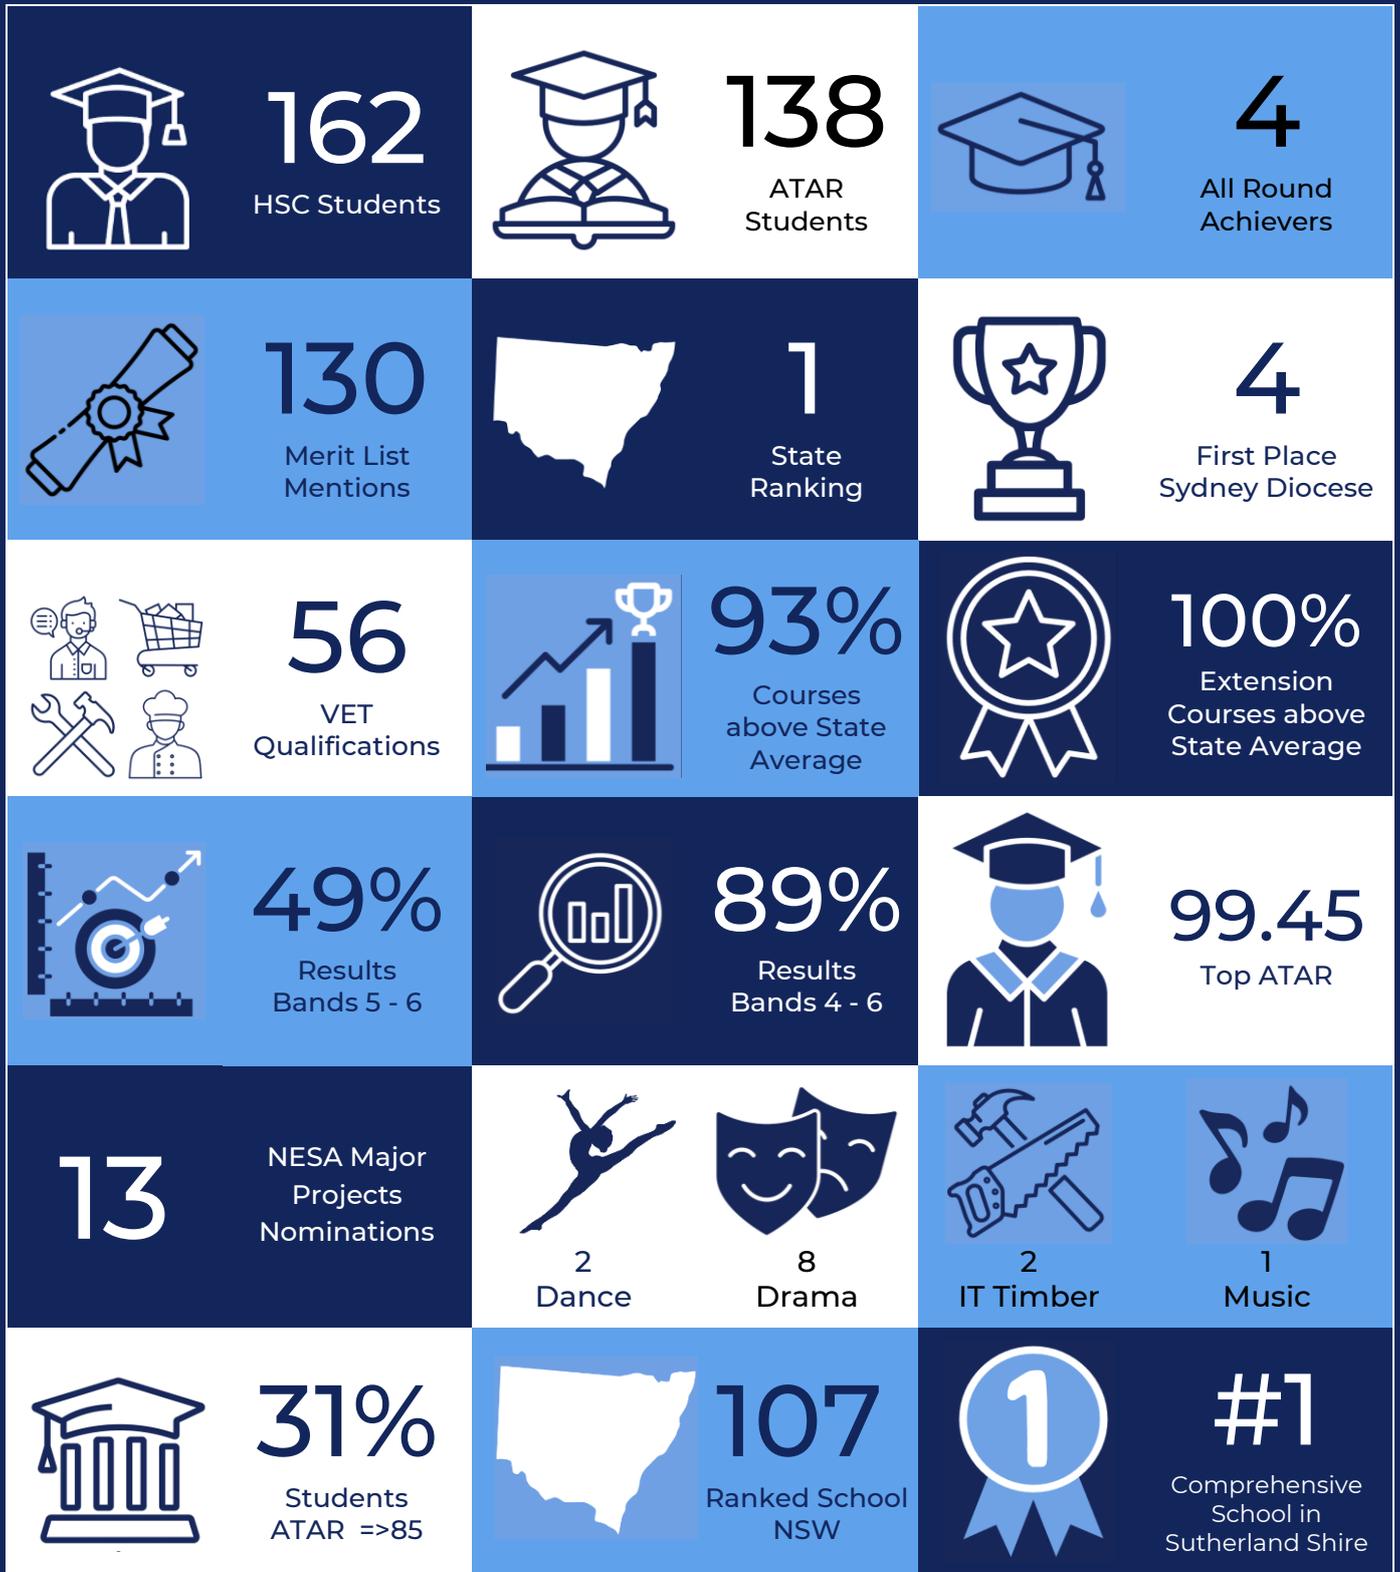

It is with great pride that I share the impressive achievements of the Aquinas Catholic College Class of 2025. We warmly congratulate our graduates on their exemplary HSC results and the significant personal milestones they reached throughout their journey with us.

For the sixth successive year, an analysis of our HSC results by Catholic Schools New South Wales has identified Aquinas as having learning growth (value added) above typical when compared to similar students in other New South Wales Catholic Schools. This sustained success is a powerful validation of our Enlivened Learning philosophy - a framework that uniquely integrates faith, wellbeing, and a growth mindset. As a non-selective, comprehensive school, these results underscore our commitment to ensuring every student, regardless of their starting point, reaches their full academic potential. This collective success is the hard-earned reward for the perseverance of our students, the expertise of our staff, and the unwavering partnership of our families.

Our graduates depart 'Enlivened by the Spirit' - confident, resilient individuals and lifelong learners. We see in them young men and women equipped not only with academic excellence, but with the courage to lead lives of profound purpose in pursuit of the common good. We are immensely proud of the Class of 2025 and wish them every success and blessing as they journey into the years ahead.

James Clancy – Principal
